Payment Policy

Clients are responsible to pay Nadia Humphreys directly for received services, independent of insurance coverage. At request, a receipt of payment for insurance purposes can be issued.

Nadia Humphreys is NOT accepted by most Swiss insurance companies. It is the client's responsibility to contact their health insurance and check whether and to what extent the insurance company will reimburse the client for received services.

Session Fees

All sessions are charged at a rate of CHF 180.00 per 60 minutes. Session lengths are typically 60 to 90 minutes but can be longer upon agreement.

Sessions that are not cancelled 24 hours prior to the scheduled appointment time will be fully billed.

Phone calls/consultations, email correspondence and (at the client's request) Clinical Reports for third parties (e.g. school, employer etc) are billed at the same rate as face-to-face sessions.

Billing & Payment

Clients may pay in cash at the time of the session, or receive a monthly invoice to be paid within 30 days of receipt of the invoice.

Invoices that are not paid in a timely manner will be referred to the client's local Betreibungsamt (Collection Agency) for collection of outstanding bills.

I have read the above Payment Policy and agree to fully comply with all its terms.
